### **Family Fitness Time 2010**

#### **Vendor/Demonstration Opportunities**

As you may have noticed the Fitness Expo has changed names to Family Fitness Time. This is to get more families to come over and participate in the activities that I am working on. Along with those new activities I want to have a section for the vendors and the fitness demonstrations. In the attached pages you will find the information for being a vendor and for performing a fitness demonstration. Hopefully all of your questions will be answered. If not, please feel free to contact me and ask.

Thank for considering being apart of our Family Fitness Time.
